

what is AVON adapt?

The Adapt range is designed to address skin changes bringing calm and balance to the skin from the fluctuations in hormones during perimenopause.

DID YOU KNOW...

Hot flushes can come on fiercely and suddenly and last from 30 seconds to 10 minutes.

DID YOU KNOW...

Skin's moisture starts to decline faster once the perimenopause begins.

DID YOU KNOW...

30% of collagen can be lost in the first 5 years of the menopause and sleep can become disrupted.

Icy Cooling Elixir Facial Mist
100% of women saw an instant reduction in skin temperature

spritz to cool, soothe and drench skin with hydration at home or on the go

Hydra Rescue On-The-Go Serum
instantly grants skin a moisture boost of 98%

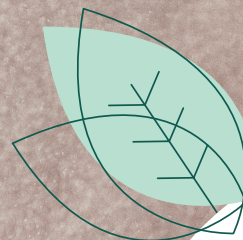

twice daily, massage into skin to swaddle thirsty cells with nourishment

Dream Cream Night Cream
helps double collagen production and calm skin

apply to cleansed face and neck before bed

We have formulated the Adapt collection with **adaptogens**, derived from plant extracts, which have the ability to adapt, encouraging the body to **balance hormones** and resist the harmful effects of **stress**.

OUR ADAPTOGENS

Turmeric, known as the “spice of life”, has a **history of use** within homeopathic and cultural rituals. It also has a bounty of research supporting strong anti-inflammatory activity.

In traditional Southeast Asian medicine **Tilliacora** has been used for a long time. In Thailand, people call this plant “never get old for a thousand years”.
